Horton the elephant wants to save the people of Whoville. They are tiny people who live on a piece of dust. Horton thought he heard a cry coming from the dust. He places it on a clover leaf and decides to take it to the top of Mt. Nool. It would be safe there. Other animals in the jungle try to stop Horton. They don't believe anything could be living on such a tiny dust. The people of Whoville make a small noise again, which is just loud enough to be heard. The other animals now know people live on the dust, and Horton is able to take it to a safe place.
